

If you want to be happy, do not dwell in the past, do not worry about the future, focus on living fully in the present.

You have defined the vision and values for your life and, in doing so, laid the foundation from which to set long-term and short-term goals. You can now consistently measure the most effective use of your time, talents, and energies against a written constitution based on your principles.

My Mission Statement

Keep Growing, Always be Grateful and be Better

Character

Character is a composite of your habits.

- Sow a thought, reap an action
- Sow an action, reap a habit
- Sow a habit, reap a character
- Sow a character, reap a destiny

Character, in the context of your personal mission statement, is what you want to be.

- Character :
 - I will be a person who :
 - I want to be a grateful person, invite progress, generous, smart, and a winner
- Passion :
 - What do I really love to do at work?
 - I love to do something that can make me happy and make me feel useful for others, such as develop tools / website which can help people to do their work easier and useful for business continuity
 - What do I really love to do in my personal life?
 - Growing, learning, and sharing, I love to learn new things and share it to others. Loving my wife.
- Imagination :
 - If I had unlimited time and resources, and knew I could not fail, what would I choose to do? I would:
 - be a senior programmer who works remotely at a large company in singapore and has a minimum salary of 35 million rupiah per month, and has a Zenix V Hybrid
- Vision :
 - My life's journey is...
 - I want to be like Mark Zuckerberg and Jeff Bezos or Nadim Makarim, who succeeded in creating a masterpiece that is useful for the lives of many people through an application.

Contributions & Achievements

By focusing on the unique contribution that is yours to make, you can become principle-centered.

You may get satisfaction from past accomplishments, but the next great contribution is always on the horizon.

You have relationships to build, a community to serve, a family to strengthen, problems to solve, knowledge to gain, and great works to create.

- Contribution:
 - **What do I consider to be my most important future contribution to the most important people in my life?**
 - **Family** : I want to be a good husband and father, who can provide for my family, and can make my family happy
 - **Work** : I want to be a programmer who is able to create work that is beneficial to the lives of many people through an application, and works with full dedication and integrity.
 - **Community** : I want to be a person who can help others, and can be useful for others, and can be a role model for others
- Talents & Skills :
 - **My natural talents and gifts are**
 - Never satisfied to grow better
 - Solve problems
 - Be proactive and creative
- Performance :
 - **I am at my best when...**
 - I was asked to tackle or complete a task from my manager where the task requested was useful for many people
 - **I am at my worst when...**
 - doing something which is only a waste of time, a waste of potential

Values & Principles

Our values and principles are the foundation of our character, contributions, and achievements. At the very center of our Circle of Influence is where we deal with our vision and values. It is here that we make certain our paradigms are based on principles and reality. It is here that we create the end we desire, giving direction and purpose to our beginnings.

- Conscience:
 - **I need to make the following things a priority:**
 - bond with my family
 - improve my programming skills and experiences
 - improve my soft skill : Leadership, Financial Literacy
- Influence:
 - **These are the people, and their attribute, that I hope to emulate:**
 - Buya Syakur : I was inspired by his knowledge and humility
 - Cristiano Ronaldo : I was inspired by his hard work and dedication
- Balance:
 - **These are the things that I can do in each dimension of my life to achieve a sense of balance:**
 - **Physical** : exercise, eat healthy food, and get enough sleep
 - **Emotional** : meditation, and spend time with my family
 - **Mental** : read books, and learn new things
 - **Spiritual** : pray, dzikr, and read the Qur'an
 - **Social** : give alms at least 10 percent each month, contribute to society

You've discovered your mission, but that doesn't mean your work stops here.

We encourage you to reflect on your mission statement each day to make choices, set goals, and prioritize. Continue to write and revise as you go to make sure you stay on target with your mission.
